SUB: INSPECTION OF SCHOOLS FOR SESSION 2021-22- REG

As per clause 10.1.10 of Affiliation Bye-Laws, 2018, the Board appoints an Inspection Committee for physical inspection of the School to assess the suitability of the school for affiliation.

After scrutiny of applications for the session 21-22 the board has constituted Inspection Committee with the direction to carry out inspection within 30 days. However the Committee is not able to conduct/Proceed for inspection as schools are not functional due to current COVID-19 situation. Besides neither the school nor the IC are expected to conduct the inspection without opening of the school/without Students.

Therefore, as per approval of competent authority of the Board it is clarified that the Schools are to get the Inspection done within 30 days from the date of opening of the schools. The IC members are further directed to ensure that inspection is done within the stipulated period of 30 days after opening of the school.

This is for information to all stakeholders.
