Circular..15...../2019

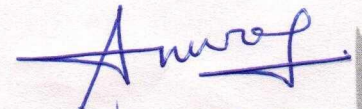

**Subject: Adherence of Provision of Affiliation Bye-Laws, 2018 regarding running of coaching institute in school premises –Reg**

Rule 14.10 of Affiliation Bye-Laws, 2018 stipulates that "Multiple use of school building is allowed for the limited purposes of Promotion of Education and Skill Development including Vocational Education but the school shall not use its building and infrastructure for any commercial activity". However, it has been observed in the recent past that some schools are not adhering to the provisions laid down in the Affiliation Bye-Laws of the Board which are mandatory in nature and are using the school premises for running coaching/tuition classes on various pretexts which are not an integral part of the regular activities of preparing students for admission to the Board's examinations.

It has been reported by the Stakeholders that the affiliated schools are running coaching institutions within the school premises for providing coaching for entrance examinations. Running of classes of coaching institutions in the school premises is not approved by the Board. Some schools are organizing such programmes by naming it as an integrated school programme that teaches both CBSE syllabus and prepares students for various entrance examinations to mislead the students and their parents. Running of this type of classes, with any nomenclature, for commercial purpose violates the basic spirit of the affiliation bye-laws of the Board.

Further, Rule 28 of Right to Education (RTE) Act, 2009, specifies that no teacher shall engage himself/herself in private tuitions or private teaching activity. The premises of CBSE schools should not be used for any commercial activity as per Rule 14.10 of Affiliation Bye-Laws, 2018. Every school should ensure devotion of minimum periods for teaching various subjects as per the syllabi and course prescribed by the Board. No tuition/coaching classes against the spirit enshrined in the bye-laws of the Board shall be allowed in the school that consumes and affects the regular time table of the school, deviates the focus of students from regular course of study or promotes any commercial activity.

The Schools are therefore, directed to take strict note of the provisions contained in the Bye-laws of the Board in this regard and avoid indulging in such malpractices. In case the schools do not adhere to the conditions laid down in the Affiliation Bye-laws, appropriate action will be taken as per provisions contained in the Affiliation Bye-laws, 2018.
