Sir/Madam,

The Commissioner for Linguistic Minorities (CLM), in its 50th report tabled in the parliament has recommended that the following should be recorded in the admissions form of the students:

1. The mother tongue of the child.
2. First language preferred.
3. Optional language – parent/children prefer to study so as to ensure that the children belonging to linguistic minority groups are at the reach of the facility for instruction in their mother tongue at the primary stage of education as enshrined in Article 350A of the Constitution.

You are requested to include column for the above information in the admission forms.

It may be ensured that the right of the linguistic minorities are protected.
