

CHAPTER 6

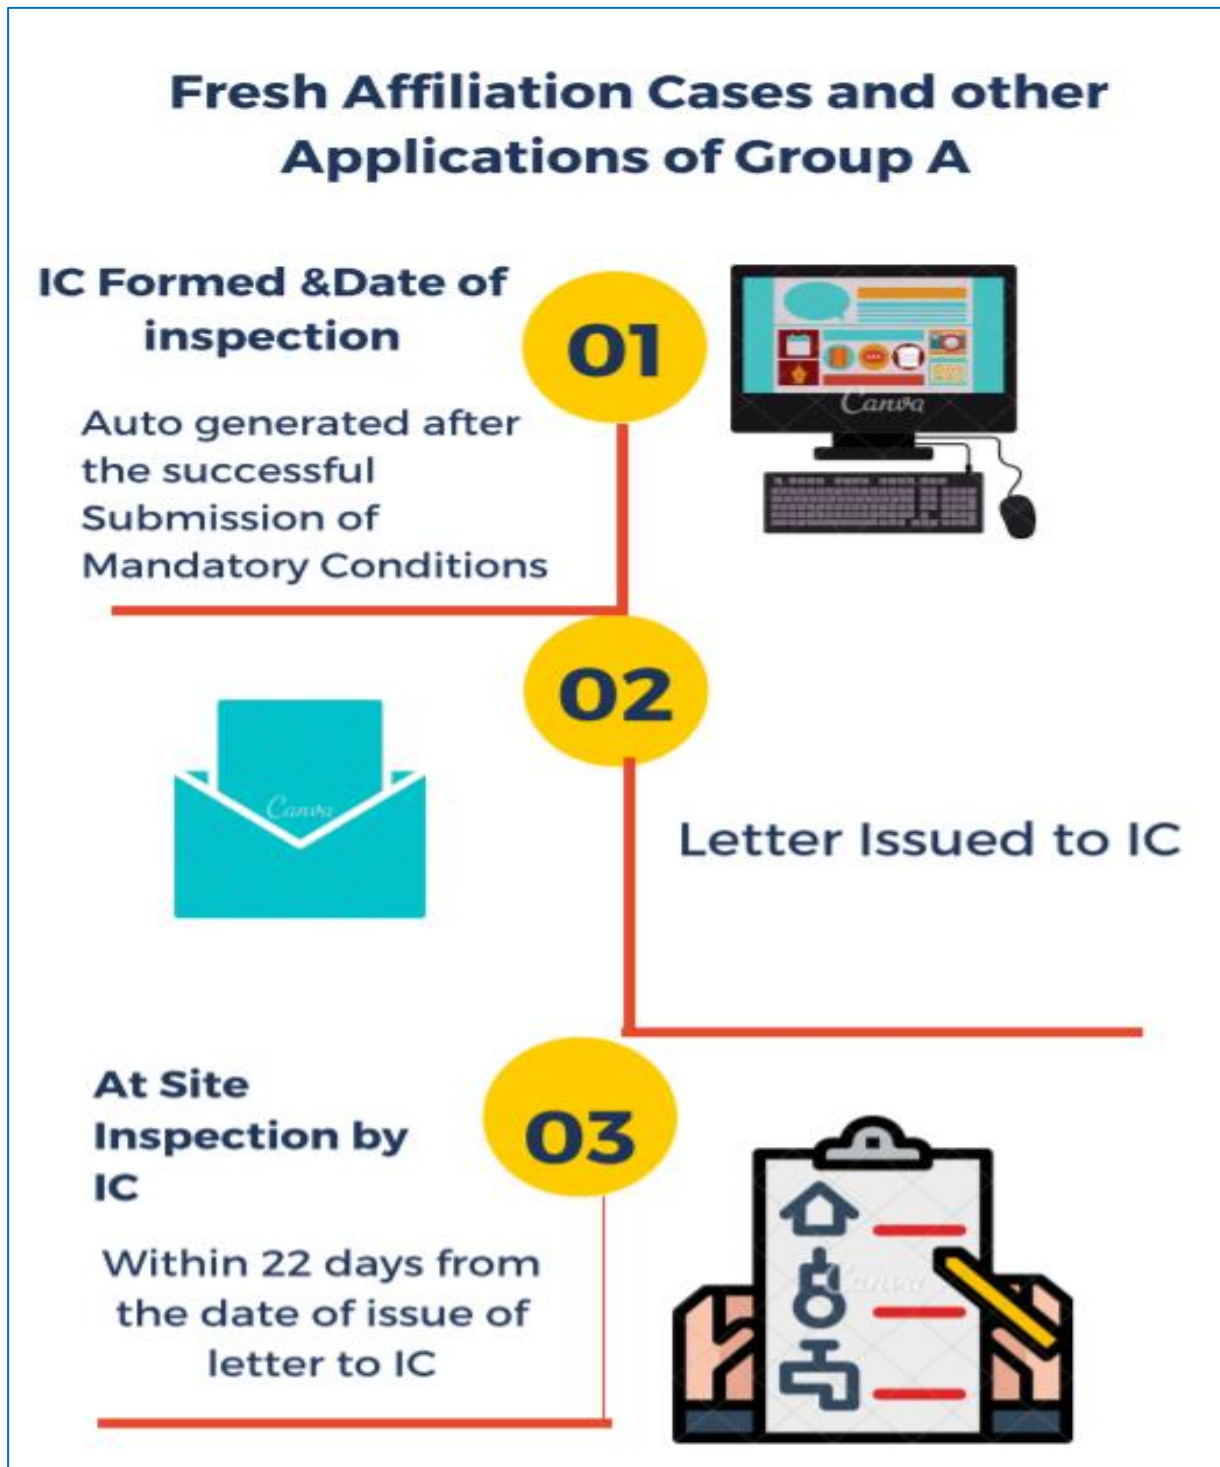

INSPECTION GUIDELINES

FOR IC

FOR AT-SITE INSPECTIONS

In addition to the Operating Procedures given in the previous chapter, specific guidelines for the cases of Fresh Affiliation and other applications for the Group A Category given in the chapter 2 are being detailed in the chapter.

6.1. Timelines:

- The date of Inspection of school will be finalized by the Board through system generated mode.
- The Intimation would be communicated to the school and Inspection Committee members and Inspection Committee will be required to conduct Inspection on stipulated date.
- The system generated login credentials will also be communicated to IC members.
- The auto-generated alert about Inspection would be communicated to the school and Inspection Committee members one day before the date of Inspection also.

POINT TO KNOW

DATE OF INSPECTION

Along with the inspection committee letter, the Board shall give three dates of inspection through the system generated mode.

Inspection can be conducted on any of these three dates as mutually decided by the Inspection Committee and the School.

POINT TO NOTE

In case, the inspection committee is ready and the school intentionally fails to get the Inspection done on the stipulated dates and timespan (except for the reasons beyond control), the school will be penalized with a monetary penalty of Rs 25000/- and fresh schedule shall be communicated. The school shall get another opportunity, however the application shall be rejected if the school fails to get the inspection done after three opportunities.

- In case of non-conduct of Inspection on stipulated date by the Inspection Committee members (except for the reasons beyond control) would be debarred for further inspection for that particular calendar year. The same would also be communicated to the management of school for further necessary action against the Principal.

6.2. Check List for inspection:

Checklist
FOR IC

- All data is pre-populated from the data filled in by the schools.
- Verify information with original documents during inspection.
- If any clarification required, contact the facilitation centre of Affiliation Unit for timely disposal of queries
- have access to the documents uploaded by the school through secured login credentials

Decorative elements: Purple 'X' markers on the left and right sides, and a row of purple 'X' markers at the bottom.

6.3. Videography during Inspection:

In order to induce more fairness and transparency in the process of affiliation, the entire process of inspection will be video-graphed. The following points are to be noted:

YOU MUST KNOW!

For Boundary , Main Gate , Parking and other Open Area

The person with videography skills should ensure wide angle coverage of video.

For Laboratory/ies

The videographer should ensure wide angle coverage of video while entering the lab. Thereafter the person with videography skills should cover all equipments and other facilities in the lab. During this the concerned subject teacher should also be available in the lab to response to the queries of IC members and show the stock register.

For Library

The videographer should ensure wide angle coverage of video while entering the library. Thereafter the videographer should cover all bookshelves, magazines & periodicals, reading area, and other facilities such as computers with internet connectivity in the library. During this the librarian should also be available in the library to respond to the queries of IC members and show the catalogue, accession and issue register.

For Toilets

Wide angle coverage of video including WCs and Basins.

Class Rooms : Occupied and Vacant

The videographer should ensure wide angle coverage of video while entering the rooms. Thereafter, the videographer should cover all fixtures, furniture and other facilities in the rooms.

Other Rooms such as Staff Room, Music Room etc.

The videographer should ensure wide angle coverage of video while entering the rooms. Thereafter the videographer should cover all fixtures, furniture and other facilities in the rooms.
